

# HBF Freeway Bike Hike for Asthma Sponsorship Form

The Asthma Foundation of WA hopes you have a fantastic time riding in this year's HBF Freeway Bike Hike for Asthma. One of our aims in staging the bike hike is for people in our community to participate and have a great time. But we also hope to raise your awareness of asthma as a serious, life threatening condition that affects millions of Australians.

Another important aim of the event is to raise much needed funds for the Asthma Foundation of WA. These funds ensure that we can continue to provide the information and services needed by the one in six children, and one in nine adults living in WA with asthma.

The logistics in staging an event such as the HBF Freeway Bike Hike for Asthma are enormous. It's a huge event that incurs substantial cost to make sure you have a great time participating. Your entry fee and the sponsorship we have for this event covers those costs.

**The money you raise by fundraising goes directly to the Foundation, and provides the resources we need to deliver asthma information and services to the community. When you fundraise, you get to lead, plan, scheme and laugh with friends whilst making a very real and valuable contribution.**

The Asthma Foundation of WA is a not-for-profit organisation that provides quality asthma education, community service, and financial support for research into a cure. Asthma is one of the most common health conditions in this country, and Australia has one of the highest rates of asthma per capita in the world. More than 2.2 million Australians live with asthma.

Your support and participation is greatly appreciated not only by all of us here at the Asthma Foundation of WA, but by the hundreds of thousands of Western Australians who are affected by asthma. The money you raise will directly support patients and their families when they need it most.

**Please complete the following section first of all and ensure that BOTH pages are returned to the Foundation on completion of your event.**

**If you have any queries please feel free to call us on 9289 3600.**
